

SECURECheck ✓

SECURECheck a subsidiary of the Nunasi Corporation is an incorporated northern firm offering security services to industry, private business and government departments since 1997. Our employees and owners are long time northerners who understand the uniqueness of northern hiring.

We have an ongoing need to recruit northerners for our SECURITY PERSONNEL DIVISION. This area of the business supplies professional contract security personnel on short and long-term projects for a variety of clients. As the only private security firm in Canada with expertise in the diamond and secondary diamond industries, we are proud to be the supplier of choice for Canadian diamond mines and exploration companies. All of our security personnel undergo strict security screening including current criminal record checks and fingerprinting.
